

## Workplace Insider Threat Seminar

Tuesday 6<sup>th</sup> September 2016 at 6.00pm

To be held at The Luncheon Room, Inner Temple

A panel discussion chaired by **Don Randall MBE** a former Head of Security and Chief of Information Security Officer for the Bank of England and consultant to Bivonas Law LLP

The guest speakers and topics for the panel will be:

- Commander Chris Greany, Director and National Co-ordinator for Economic Crime and Cyber: Providing an overview of the current trends in Cyber Crime with a particular focus on insider involvement
- Andrew Fitzmaurice, CEO of Templar Executives, an award winning cyber security company: Detailing the current cyber threat landscape from an 'insider threat' perspective
- Stuart Leach, Managing Director of Bell Pottinger: Crisis and Litigation: Discussing how to stay ahead of the media following a data breach
- Dr Dan Prince, Cyber Business Development Director at Lancashire University: Addressing future technologies that will assist with the identification of insider psychology

Followed by a drinks reception sponsored by Bivonas Law LLP and Templar Executives

This seminar is accredited with 1.5 hours CPD by the Bar Standards Board.

Attendance is free for BACFI members and £10 payable in advance for non-members. To book please email: [events@bacfi.org](mailto:events@bacfi.org).
