

Gray's Inn Quarterly Update – What's On

These quarterly updates are e-mailed to everyone on the Inn's database. This is the second update of 2016.

I would be most grateful if you would keep your contact details up-to-date. [Click here](#) for the form.

Scholarships Trust

The Inn continues to raise funds for [The Bingham Scholarships Appeal](#). The Inn has a dedicated web-page giving details of how you can donate either by cheque or standing order – it couldn't be easier! There is also all the necessary information you need to set-up a standing order. Please [click here](#) for details on how to donate.

Car Parking

Car parking spaces are available in various locations throughout the estate accessed from High Holborn, Gray's Inn Road and Theobald's Road. Annual Permits cost £2,760 and can be purchased at a pro-rata rate for the remainder of the year. Please contact Kayanne Browne for further information – kayanne.browne@graysinn.org.uk or 020 7458 7814. Daily parking is also available, paid for at the gate, costing £20 per day.

Electric Car Charging Points

Planning and Listed Building Consent is currently being sought for a number of electric vehicle charging points to be situated at various sites throughout the Inn. The first points will be installed in South Square and then elsewhere depending on demand. Spaces, to be allocated for a single user, will include electricity and be offered at a discounted rate from the annual car parking charge representing excellent value for money. To register your interest please contact Kayanne Browne – kayanne.browne@graysinn.org.uk or 020 7458 7814.

Storage Units

A number of basement units are available to let for personal or commercial storage. Rents start from £100 per month with a minimum term of three months. Contact Tim Bell – tim.bell@graysinn.org.uk or 020 7458 7902.

Residential Flats

Various flats are becoming available to let later in the Summer following refurbishment works and tenancy ends. To register interest and receive full details in due course please contact Tim Bell – tim.bell@graysinn.org.uk or 020 7458 7902.

Short Term Office Lets

Should you be looking for overflow office space on a temporary basis the Inn has a number of offices of various sizes available in Gray's Inn Chambers at all-inclusive rents from £500 per month. The offices are available until the end of the year. For further details contact Tim Bell – tim.bell@graysinn.org.uk or 020 7458 7902.

Works

Various maintenance and refurbishment work has been carried out by the Inn and some tenants over the past months. Thank you for the patience and understanding of those who have been affected. This work is now drawing to an end. New projects will be starting in the summer including the redecoration of the inward facing windows of Gray's Inn Square and the rebuilding of part of the Jockey's Field boundary wall close to the Theobald's Road entrance – access will be maintained throughout. Residents of Raymond Buildings will be pleased to learn that the lock to the pedestrian gate leading into Jockey's Field will soon be replaced with a mechanism operating from a smaller key. Replacement keys will be made available when the work proceeds.

Library

Filling a gap in provision for one of our specialist areas, the Library has subscribed to the journal Air & Space Law in both hardcopy and online format, with online access back to 1975.

Members are invited to take part in the [Library Survey](#) for a chance to win a free lunch for two in Hall or equivalent vouchers. Your answers will be used to inform and improve the services we provide. The Survey can be completed [online](#) or printed copies are available from the Library.

As ever, we encourage members to keep in touch with via [Twitter](#) and [Facebook](#). Our main [contact details](#) are available from the website, where you can also search the [Library Catalogue](#).

Finally a reminder of our [Document Supply](#) and [remote enquiry](#) services for members unable to visit the Library in person.

Website

Under the Members section of the website, a greatly improved [Publications](#) page has been created to promote Graya and Graya News, together with access to the Graya Index created by former Librarian Theresa Thom.

Under the Education section of the website, a new [Resources](#) page has been created featuring articles sourced from Graya News offering concise, practical guidance for students and new practitioners.
