

AI, LAW & ETHICS

Date: Thursday, 18 January
Time: 5:00–6:00 GMT, 12:00-1:00 EST
Where: Online

SEAL will host a panel discussion on AI, Law & Ethics on 18 January 2024.

The panel will address key benefits and implications of the rise of AI tools used in different contexts. The panellists will share their experience and views on the impact of the use of AI on the legal profession and ethical duties both in terms of benefits and limitations.

The session will also explore potential ways to identify and mitigate AI-related risks for our clients and organisations.
